I do not have a company name but it is a required field so I used the DO NOT USE field. I hope you accept this as I would really like to be heard. I sincerely hope members of the commission listen to the case in favor of Swing First golf, LLC. How did this ever get to this point? I am a homeowner and big supporter and lover of the golf club at Johnston Ranch, We also own a home on the golf course. A decision against Johnson ranch could affect so many homeowners and community people it would be devastating. Already homeowners are talking of selling before their home prices drop dramatically if the decision goes against Swing First Golf. How can one man have a monopoly on the water use and distribution and with that monopoly dictate to the commission what is going to happen. Does all this not reek of conflict of interest. Does not Mr. Johnson own his own golf course in the same region? How convenient if Swing First Golf goes out of business. the Golf Club at Johnson Ranch is the backbone of San Tan Valley. Without it this area will become a ghost town. Please look at this for what it is which is a personal vendetta of Johnson Utilities LLC against Swing First Golf LLC. Please, do the right thing and do not let this happen. ED & Shairry Tanquary
